

Paper - Umbrella Residences

Objective:

Paper Umbrella is a private residence club for families and individuals seeking joyful luxury. With homes all over the world it's simple to make getting away part of the every day. Every shareholding member of Paper Umbrella has the same share ownership and privileges as every other shareholder including the founders.

Solution:

Paper Umbrella will allow members to book residence club for their family and individuals for current year and next coming year in different locations. All the registered members will have access to the member's area which further helps member to make, modify and cancel the booking. Here it provides Availability Calendar for members to check the availability of residence.

All the transaction approvals, members' registration and other details like location availability dates will be maintained by admin.
